Clerk expenses	£22.91	Prop. D Haden, 2 nd D Williams
Penstar water testing payable to Clerk	£187.20	Prop. D Haden, 2 nd D Williams

PCC report

Sam Kurtz will be speaking to Jon Murphy tomorrow to arrange talks with Welsh Water regarding laying pipes, supplying water and taking responsibility of Barham Road. Valley Management have been non-responsive in last few months.

There is an application for a footpath from the A40 to Fishguard AFC after issues of children walking to the pitch with no lights and no footpath. Funding is still to be found but it is 7th on the list for priority in the whole of Pembs so is likely to have funding.

Bins and amenity sites have changed as the way it has been done was unsustainable. S Kurtz has received no complaints officially regarding the changes although there are opinions against it online. There has been an increase in fly-tipping and enforcement officers are on the look-out. It has been a relatively quiet period for correspondence in Sceddau. There will be tree-felling and new fascias on council properties in Sceddau.

D Williams raised issue of raised storm-drains higher than the other side of road in Waun-Las which will need resurfacing. D Williams also said that railings are needed opposite the Gate Inn around the pump towards the bus stop due to children in that area and would stop them trying to cross the road at a junction.

D Haden raised the recurrent issue of cows loose in Ffos-Las, Trecwn.

M Raymond raised the issue of pot-holes at Manorowen junction.

Meeting closed at 8.40pm

Date of next meeting – Monday 8 July 2019
